# A WIDE RANGE OF PRODUCTS AND APPLICATIONS

Our range of custom hearing products is extensive and suitable for any number of practical applications from custom earmoulds for hearing aids through to fully compliant **NoiseBarrier™** earplugs for industry... we have a solution for everyone.

# OUR HIGH STANDARDS MEAN YOU CAN BUY WITH CONFIDENCE

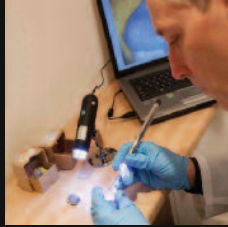

Universal dB works to the most stringent levels of safety, hygiene, integrity and quality, allowing you to buy with confidence. We are registered with the MHRA as a manufacturer of 'Custom Made Devices' and fully comply with all regulations set out by the Medical Devices Directive 93/42EEC. Our **NoiseBarrier™** industrial noise protection product is fully compliant with the Control of Noise at Work Regulations 2005 and is certified to EN352-2:2002.

# OUTSTANDING LEVELS OF SERVICE AND QUALITY

As a main supplier to the NHS, including some of the UK's leading children's hospitals, we work to the highest levels of service and quality and strive to be an exemplar of best practice in everything we do. We are committed to supporting NHS Trusts and private providers via the Any Qualified Provider (AQP) model, helping them to meet key service outcomes.

# A WEALTH OF EXPERIENCE, A GREAT CHOICE OF MATERIALS

Our custom earmoulds are available in an extensive range of materials, including acrylics and silicones. We also offer a comprehensive choice of Non Allergic materials along with NANO antibacterial coating. We work closely with audiologists to find solutions for patients suffering from allergies and offer a free of charge patch test sample service on request.

# A KNOWLEDGEABLE AND EXPERIENCED PAEDIATRIC TEAM

Universal dB provides an outstanding level of service to children's audiology departments. We are the supplier of choice for several of the UK's leading children's hospitals including Great Ormond Street. We understand the importance of superior quality products, extensive choice of design and prompt turn round times. We offer hundreds of novelty ideas - including pictures and glitters - and a large selection of colours at no additional cost.
